1957 SUMMER SESSION ANNOUNCEMENT--

A VARIETY OF OFFERINGS FOR UNDERGRADUATE OR GRADUATE CREDIT WILL BE AVAILABLE DURING THE 1957 SUMMER SESSION OF STOUT STATE COLLEGE, ACCORDING TO A PRELIMINARY ANNOUNCEMENT RELEASED BY ADMINISTRATIVE OFFICIALS OF THE COLLEGE.

BECAUSE OF THE LENGTHENED SUMMER SESSION PERIOD, A GRADUATE STUDENT CAN COMPLETE A MASTER OF SCIENCE DEGREE BY ATTENDING FOUR SUMMER SESSIONS. FORMERLY, A MINIMUM OF FIVE SUMMERS WAS REQUIRED TO COMPLETE A MASTER'S DEGREE.

ALSO, BECAUSE OF THE NEW SUMMER PROGRAM, UNDERGRADUATE STUDENTS WHO ATTEND THREE SUMMER SESSIONS AND CAREFULLY CHOOSE THEIR COURSES DURING THOSE SESSIONS, MAY SHORTEN BY ALMOST A FULL YEAR THE TIME REQUIRED TO EARN A FOUR-YEAR BACHELOR OF SCIENCE DEGREE.

THE DATES FOR THE SIX-WEEK SESSION WILL BE JUNE 24 THROUGH AUGUST 2. ENROLLEES MAY COMPLETE SIX UNDERGRADUATE OR GRADUATE CREDITS, OR A COMBINATION OF THE TWO.

FROM AUGUST 5 THROUGH AUGUST 16, DRIVER EDUCATION AND OTHER COURSES WILL COMPLETE THE SUMMER SESSION OFFERINGS.

ENROLLMENT AT STOUT STATE COLLEGE--

ENROLLMENT IN THE WISCONSIN STATE COLLEGES, OF WHICH STOUT IS NOW A PART, THIS YEAR SET A NEW RECORD. IN THE AUTUMN 11,304 STUDENTS REGISTERED AT THE 10 COLLEGES, A 14 PERCENT RISE IN THE NUMBER OF STUDENTS OVER THAT OF THE PREVIOUS YEAR.

STOUT STATE COLLEGE, TOO, SET A NEW ENROLLMENT RECORD. DURING THE INITIAL REGISTRATION PERIOD 1159 YOUNG PEOPLE ENROLLED. ADDITIONAL STUDENTS BEGAN THEIR ATTENDANCE AT THE OPENING OF THE SECOND NINE WEEKS.

IN THE YEARS SINCE 1952, STATE COLLEGE ENROLLMENTS HAVE JUMPED MORE THAN 75 PERCENT. ON THE AVERAGE, THE INCREASES HAVE MEANT THE EQUIVALENT OF ADDING TO THE STATE COLLEGES EACH YEAR A NEW STUDENT BODY OF MORE THAN 1200 STUDENTS TO BE HOUSED AND EDUCATED.

WHAT DO THESE STATISTICS MEAN AS FAR AS STOUT, YOUR COLLEGE, IS CONCERNED? WELL, FOR ONE THING THEY INDICATE THAT STOUT NEEDS YOUR CONTINUED INTEREST AND EFFORT TO INFORM STUDENTS WITH APPROPRIATE VOCATIONAL GOALS AND SCHOLASTIC ABILITY OF THE EXCELLENT OPPORTUNITIES WHICH A STOUT EDUCATION AFFORDS.

COLLEGE PLACEMENT OFFICE REPORTS--

THE DEMAND FOR GRADUATES OF STOUT STATE COLLEGE CONTINUES TO INCREASE. INCREASED ENROLLMENTS IN HIGH SCHOOLS HAVE RESULTED IN A GREATER NEED FOR TEACHERS AND THE RAPID EXPANSION IN BUSINESS AND INDUSTRY HAS CREATED UNUSUAL OPPORTUNITIES FOR STOUT GRADUATES. THUS SCHOOLS IN NEED OF TEACHERS OF INDUSTRIAL ARTS AND HOME ECONOMICS ARE FINDING THEMSELVES IN DIRECT COMPETITION WITH INDUSTRY AND BUSINESS.

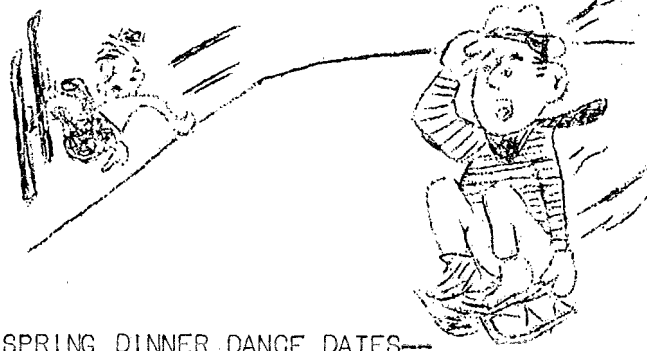

THE TEACHING OF HOME ECONOMICS STILL APPEARS TO BE THE MOST ATTRACTIVE CALLING FOR STOUT'S WOMEN GRADUATES. OF EIGHTY-SEVEN GRADUATES IN 1956, FIFTY-NINE ENTERED THE TEACHING FIELD AT AN AVERAGE FIRST-YEAR SALARY OF \$3657.35 FOR THE SCHOOL YEAR.

IN INDUSTRIAL ARTS, SCHOOLS ARE COMPETING VERY SUCCESSFULLY WITH INDUSTRY. ONLY ABOUT TEN PERCENT OF THE MALE GRADUATES IN 1956 WENT INTO INDUSTRY. THE REMAINDER ENTERED MILITARY SERVICE, GRADUATE SCHOOL OR TEACHING. EIGHTY-FOUR MEN GRADUATES OF A TOTAL OF 117 ARE TEACHING AT AN AVERAGE SALARY OF \$3,883.82 FOR THOSE WITH THE B.S. DEGREE AND \$4239.17 FOR THOSE WITH THE M.S. DEGREE. IT IS EXPECTED THAT AVERAGE SALARIES FOR 1957 GRADUATES WILL BE ABOUT \$100 ABOVE THESE AMOUNTS.

THE STOUT PLACEMENT OFFICE, WITH ONLY SIX HOME ECONOMICS GRADUATES AVAILABLE, WAS CALLED UPON TO FILL SIXTY-SEVEN MID-YEAR VACANCIES IN NINE DIFFERENT STATES. THREE WOMEN SIGNED TO TEACH IN WISCONSIN, IN RESPONSE TO TWENTY-FOUR CALLS; ONE WENT TO EACH OF THE STATES OF MICHIGAN, MINNESOTA AND CALIFORNIA. FOR THE APPROACHING 1957-58 SCHOOL YEAR, SIXTY-THREE CALLS HAVE ALREADY BEEN RECEIVED FROM SCHOOLS IN TEN DIFFERENT STATES.

THE SAME GENERAL SITUATION HOLDS TRUE IN THE AREAS OF INDUSTRIAL ARTS. FOR TEN MEN AVAILABLE AT MID-YEAR THERE WERE SEVENTY-SIX CALLS FOR TEACHERS AND MANY ADDITIONAL REQUESTS FROM INDUSTRY. SEVEN MID-YEAR GRADUATES TOOK TEACHING POSITIONS IN WISCONSIN AND ONE IN MINNESOTA. TWO MEN WENT INTO INDUSTRY.

EIGHTY CALLS FOR INDUSTRIAL ARTS TEACHERS, THESE CALLS DISTRIBUTED AMONG TWELVE DIFFERENT STATES, HAVE ALREADY BEEN RECEIVED FOR THE FORTHCOMING 1957-58 SCHOOL YEAR.

BASSLER RECEIVES PROMOTION--

GERALD F. BASSLER (BS'39), HAS BEEN RECENTLY PROMOTED TO DIRECTOR OF PERSONNEL DEVELOPMENT OF CONTINENTAL OIL COMPANY. FORMERLY DIRECTOR OF TRAINING FOR CONOCO'S MANUFACTURING DEPARTMENT, HE WILL CONTINUE TO MAKE HIS HEADQUARTERS IN HOUSTON, TEXAS. PREVIOUSLY HE SERVED SUCCESSIVELY AS SENIOR TRAINING SUPERVISOR FOR CREOLE PETROLEUM CORP. IN VENZUELA, SOUTH AMERICA, AND AS MANAGEMENT DEVELOPMENT SUPERVISOR FOR THE MURRAY CORP., DETROIT. HIS WIFE (JEAN GOOD) IS ALSO A GRADUATE OF STOUT.

YOU CAN HELP YOUR ALMA MATER--

Yes, if Stout is to maintain its proper place with the other State Colleges, Stout needs students directed here by our best source of recruitment --our loyal alumni. But Stout does not seek students for mere numbers alone.

Instead, your college seeks students who can help Stout and whom Stout can help--educationally, socially, and vocationally. And the better and more vital your college now and in the future, the better the reputation of the degree which you hold.

Finally, Stout seeks to obtain the number of students which will permit the college to operate at maximum efficiency. In other words, the new building program at your college will provide facilities which will accommodate many additional students. When these additional students are enrolled, it will be possible to provide the most efficient instruction at the lowest possible per capita cost in fees, housing and other student charges.

A number of scholarships and various grants-in-aid are available from the college for students who meet certain qualifications. Often these opportunities are overlooked by students and their advisors who feel that such qualifications are usually extreme. This is not the case and alumni knowing of students whose vocational or athletic interests attract them to Stout should contact the Office of Student Personnel Services, Stout State College, to obtain the necessary information.

Stout State College--your college --is now part of a state college system which is expanding, offering great opportunity to those colleges which are able to keep pace with the growth of the whole system. As alumni you are in the best possible position to point out the advantages of Stout to students who are fitted for attendance here. We earnestly ask you to make use of that opportunity for the good of your college and, indirectly, yourself.
